- **Attached is the introduction and profile of our partners**

M/s Harshal Control Systems Pvt. Ltd.

As discussed I would like to introduce to you

M/s Harshal Control Systems Pvt. Ltd. We have been one of the leading manufacturers and suppliers of Elevator and its components in India. Harshal Control Systems Pvt. Ltd., is a sister concern of Echar Enterprises Pvt. Ltd. which was established in 1985. We have almost 25 years of experience in the elevator industry, with a clientele of 250-300 customers which include customers like Otis, Bharat Bijlee Limited, Thyssenkrupp Elevators, Eros Elevators and many more.

The factory in Wada was started in Mar 2010. Attached is a small presentation of our company. We have state of the art machinery imported from Amada (Japan) and Trumpf (Germany). We also have in-house powder coating.

We are authorized dealers for NBSL Elevator Components Co. Ltd. in India which includes superior quality door systems (Mitsubishi Design), Speed Governors, Gearless machines and other products. We also have a training facility in Mumbai for the same set of products.

Soft copy of our brochure can be downloaded from the link below.
